

February Newsletter

We are SUPER excited to be welcoming back all of our EYFS children on the 8th of March. The sun has been shining in Berkeley and it has filled us with hope for the upcoming terms. The Spring and Summer terms mean lots of outdoor learning so please make sure your child has appropriate outdoor clothing in school. Easter is a time full of hope and new beginnings and we are excited to get stuck into some new topics this term. Reception will be learning about Dinosaurs and Little Jesters will be learning about 'Under the Sea'.

Calendar dates

Monday 8th March

Return of all children to school and Little Jesters

Thursday 25th March

Little Jesters Parents Evening

Wednesday 31st March

Reception Parents Evening

Thursday 1st April

End of Term 4

Reception Highlights

We have been learning digraphs as part of our phonics sessions. These are sounds that have two letters but make one sound. They can be tricky to remember but we are doing really well!

We celebrated Pancake Day. We read Mr Wolf's Pancakes on our Zoom Registration and had a go at making and decorating our own pancakes. They were SCRUMMY!

We have been learning about all things Under the Sea and Pirates! The children in school in our key worker bubble made some brilliant pirate ships using recyclable materials. We also

made pirate hats, flags, skull and cross bones, treasure maps and messages in bottles.

Little Jesters Highlights

Little Jesters have started a new topic Under the Sea and have been learning all about the different sea creatures. We made our own under the sea sensory area and have been using stories and sea animals to learn more about the ocean.

We have been trying really hard with our numbers and shapes, and recognising numbers 1- 10 during our circle times and small activities.

We are super excited to be seeing the sun again! We can't wait to be outside and will be using our outdoor area and field more often! Please remember to bring a named bottle of sun cream into Little Jesters in your bag.

On the 8th of March we will say a HUGE good luck to Ali who will be exploring a new opportunity in the school as a teaching partner. Ali has been a huge part of our Little Jesters team and we will miss her but we will still get to see her over the fence throughout the week.
