

Class Parent Representative Meetings

Friday 25th June 2021

Area to discuss	Information from the school
Curriculum News from the school (Quality of Education)	<p><i>Our Key Priorities to drive school improvement are outlined on our website. Here, we aim to keep you updated with developments, to make explicit what we send out via our communications and class blogs to keep you well-informed about your child's school.</i></p> <ul style="list-style-type: none"> 🌟 Curriculum strengths in Maths, Art and reading were highlighted this week during a 2 day school review by an external retired HMI Ofsted inspector, which was booked by the SLT and Academy. Included in the strengths were the excellent pastoral care here at BPS and our robust safeguarding measures. 🌟 The School review has had a positive impact on staff wellbeing this term, with staff feeling valued for their hard work from an external professional. 🌟 Staff are working on the presentation of our curriculum design and planning themes for next year collaborative during twilight and Inset training this July. 🌟 A special sports event has been planned for the children beginning Monday 12th July to reward them for coping in such a strange year for them all, and to make up for the fact schools are not allowed to hold traditional sports days this year. As much as possible will be photographed and filmed to share with families, as guidance does not permit parents to attend this year.
Governor Voice	<p><i>Governors have helped with:</i></p> <p>Three governors attended the curriculum review governor coaching session this week and clearly demonstrated their commitment to the school and school improvement with their knowledge <i>'Governors have a really strong understanding of school life and most are regularly involved in its day-to-day life. The governors spoken to have a clear understanding of the strengths of the school and know what areas of the curriculum that leaders need to work on'</i> June Review 2021</p> <p>Governors have carried out the following monitoring visits this term:</p> <p>Review of SEN action plans and current practice Health & Safety review Staff wellbeing review Guided reading observation and review</p>
Messages to parents from the team	<p><i>Here we will add any quick messages to parents which haven't already been outlined in other communications.</i></p> <p>We wish you all a happy and healthy summer with your families. Thank you so much for all the positive messages of praise, gratitude and recognition for the work staff put in here at BPS. We feel truly valued with wonderful partnerships with families. Your kindness goes such a long way.</p>
Parent Voice: Responses to any questions/suggestions from parents	Here we will respond to any general questions/suggestions you may have regarding school that you pose to your class rep prior to the meeting.
You said	We will publish your questions/suggestions here.
We did	We will provide answers/actions here.
Reception	Can parents visit the school before the end of term?
	Sadly not. Current guidelines restrict this, but we will most certainly be making up for this once restrictions lift. Please do follow @mrsferriseyfs on Instagram as you will get to see the classroom and developments first-hand in the absence of a real visit.
Year 1	No questions
Year 2	Are they doing any other PE this term that isn't swimming?

	No. The curriculum outlines different sports throughout the year and we schedule swimming for the summer term due to the weather. Children complete the daily mile and also can attend our multi-sports clubs. They also have a whole week in July dedicated to sports with a very special event planned for them this year.
Year 3	No questions
Year 4	<p>Can they play football at playtime? Yes they can on the school field</p> <p>What are the BFG raising money for? The BFG will be sending their own communications regarding this in due course.</p> <p>Are there going to be any class trips in the next 3 weeks? No, apart from Y6 who have a special leavers treat day out. Trips for the Autumn term are being planned during our curriculum insets.</p> <p>Positive feedback: the children really enjoyed the curriculum hook day where they explored diversity. This was echoed by other parents too in other year groups.</p>
Year 5	Are they having a sports day?
	Yes, we have planned a sports week in the last week of term for the children. See curriculum section
Year 6	Are parents allowed to the leavers assembly?
	<p>Yes. We have arranged a small outdoor event which meets the safety measures in place in our school covid risk assessment.</p> <p>Y6 parents will arrive and be greeted at the back gate to the school field by the public library. Please bring something to sit on in your 'family area' for a final assembly on your children's last day at BPS.</p>
