

# OUR CLASS TEXT

## Year five

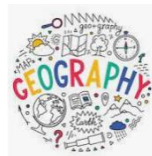

Term 3

# Danger Zone!

## Español

Finding out about vocabulary to describe the weather.

**Art**  
 We will be looking at painting and creating colour palettes based on the natural world.

In Geography this term we will be finding out about different biomes and climates (especially the rainforest linking to our history work on The Mayans). We will also be finding out about Tsunamis, volcanoes and earthquakes.

## SCIENCE

This term's Science is all about materials and their properties.

In History we will be finding out about The Mayans and the various dangers they faced!

**RE** Sikhism – Are Sikh stories still important today?

PE this term is rounders. We will be looking at the skills involved to play the game and how these could be used in others too.

For DT this term we will be finding out materials linked to our science and making our own Mayan headdress.

**PSHE**  
 Dreams and Goals  
 We will be looking at our dreams and goals for the future and how they compare with others

**Computing**  
 In computing this term, we will be creating our own games.

In music, we will be appreciating weather inspired music and composing our own.

## Maths

This term we will be looking at the written methods for multiplication and division
