

"If Children are happy,
Autumn 2023 they will achieve!"

SUBJECT SNAPSHOT

Computing

LITTLE JESTERS

Little Jesters have been using their interactive whiteboard to listen to songs and watch videos. They have also had different pieces of technology included in their role play areas.

RECEPTION

Reception have been using the technology in the room to search for facts about polar animals with an adult.

YEAR 1

Year 1 have been learning about what technology is. They have also learnt about the parts of different devices and ways they can use digital technology.

YEAR 2

Year 2 have been learning about IT. They have learnt what information technology is and how it is used in school and in wider life. They have also considered the importance of taking breaks from devices.

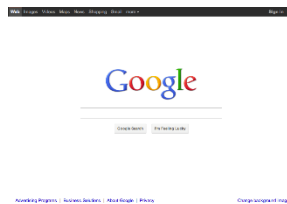

YEAR 3

Year 3 have been learning about the ways digital devices can help us and how they are connected in networks.

YEAR 4

Year 4 have been exploring the internet. They have been learning the difference between the internet and webpages and the kind of content they can discover online.

YEAR 5

Year 5 have been learning about systems and searching. They have considered how IT systems play a role in their life and how search results are presented to them.

YEAR 6

Year 6 have been learning about communication and collaboration. They have learnt we can use connections through devices to talk publicly and privately and how this connection can allow people in different places to work and learn together.
