Dear families,

**Re: parent survey**

As part of our ongoing school celebrations and improvements, we invite you and your children to complete an optional survey to give us your views.

As always, if there are any concerns or queries regarding your children's learning or wellbeing, please do contact us on [slt@bps.cbac.academy](mailto:slt@bps.cbac.academy) as we operate an approachable and open-door policy for families who may require further information or support at various points during the year. We aim to respond within 48 working hours or sooner.

In addition, messages can always be passed to staff at the gate during drop offs and teachers are available daily at the end of the school day should you wish to speak to them.

Once collated, I will publish the results and provide details of strengths outlined, and also responses to any general concerns/questions or suggestions for improvements.

Feedback helps us shape our school in an ever-changing world for your children, and we value your time and input on this. It also helps us to celebrate our school, adding a sense of pride to the children, staff and families here at Berkeley primary.

Please click the following link and complete by Monday 23<sup>rd</sup> February.

Many thanks for your time as always
